Total giving, to support God's work and spread of the gospel =£2640

I would like to take this opportunity to thank all those who give regularly to this specific aspect of church support- through Loaves and Fishes- and encourage others to think and pray about this way of financially supporting God's work. It would be lovely to have more regular givers.

There are some organisations which the church has supported on an ongoing basis every year- but we are very willing to consider support to other causes, which may have a local connection or interest.

With best wishes

Karen
